This amazing ocean view lot in Ocotal has a full vista including a perfect view of Peninsula Papagayo. At 3,318 square meters, with a two-level building pad, and surrounded by high-end villas, let your imagination run. The lot is located on a dead-end road with a handful of villas and condos past the lot giving less traffic. Ocotal is located 35 minutes from Liberia International Airport and direct flights. Ocotal is in the process of having the water system reassessed. As such water letters are not currently available. Great opportunity to invest for your family's future.
